A REMARKABLE GASE.

M.R. MURPHY, 90 North Sixth-street, Philadelphia, Agent for SDERMAN's Medicated Lozenges, says that a poor woman called at his Office and stated that her daughter, seven years old, had been sick for nearly three years; her stomach was distended to the size of a grown person's; her arms and legs so swollen that she could not walk or help herself, although she could cut as much as two laboring men. They had employed two celebrates doctors, who could denothing for her, and had given her up as incurable. Her husband had become discouraged, and abandoned all idea of trying to do any thing more for her, and looked to death alone to take her out of her misery. Mrs. Murphy, believing her case to be one of Worms, gave her a.hox of Sherman's Worm Lozenges, and is two days she returned, with joy beaming in her eyes, and said the Lozenges had saved her child's life, after all had given her up. The First does brought away nearly a pint of worm in one living muss. She had not taken two boxes before she was entirely cured, having y assed after the first does, which she could not count, ever 800 vorms in one week. She was literally caten up with them. Another living witness of the almost miraculous efficacy of Sherman's Lozenges. Principal Office in New-York, 106 Nassanstreet.

A VALUABLE REMEDY.

IT TO MESSES. PEASE & SONS, 45 Division-street.-Your valuable preparation of Horebound deserves a few remarks from my own experience. Being in the habit of addressing frequently large meetings, and my constitution rendered susceptible of cold from a senfaring life. I found my strength and health gradually decaying, my spirits sinking, my lungs failing, and my voice faltering fast. In fact, I had lost all hopes, and every hour fearful of bursting a blood-vessel when your Horehound Candy and the cures it had effected reached me. I believe I took but one package, when every unfavorable sympnew regenerated so completely that I am freely empowered to speak and act better than I did three years ago. My appetite is good, and my general health restored. You can make any use you please of this certificate, which it would be injustice to withold from the public as

Have you had a battle of NOWLLL'S PECTORAL HONEY OF LIVERWORT! Try it. It is assuredly the best medicine ever offered to the public. The testimonials tenderen and the high calogiums given this last winter from these who have taken it, attest at once its superior virtue. It is from this cause that we are induced to make it as popular as possible, though it has increasingly received the public approbation amounting to about fifty thousand bottles per annem. No puffor advertisement has done this to heav on the sufferer a watery colored solution, and inefficacious medicine, thereby hastening adisease to its fatal termination—the puff alone sustaining the hopes of the patient, until hopes are gone.

The preparation of the Honey of Liverwort is solely composed of vegetable ingredients simple in their nature, but in combination not only calculated to remove the immediate disease, but to invigorate the system generally. No medicine ever offered to the public can be said to have restored to health as great a number of persons in consumptive complaints as Nowill's Pectoral Honey of Liverwort. It should be kept in all families, to administer upon the first symptom of cold or cough, as inattention and neglect are the causes of numbers losing their lives, especially in consumptive cases.
